Verdict

Growth has almost stalled. Revenue for January to November 2011 was only 2.3% up on 2010. The UK was flat, and international sales grew 15%.

Recommendations

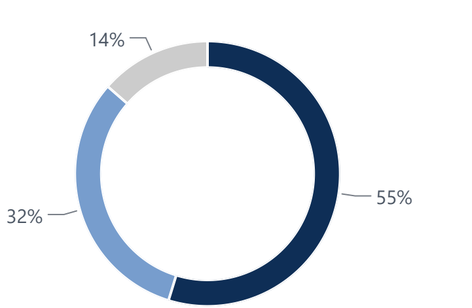

Products: don't make best-sellers the focus. The top 10 products bring in only 8% of revenue.

Customers: protect the top 10%. Just 588 customers bring in 55% of all revenue.

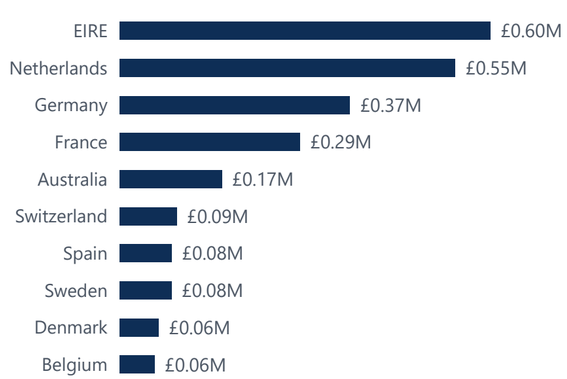

Countries: grow in the markets that already work. International sales are 14.6% of revenue and rising.

Our pick: the biggest customers. They are over half of revenue and cheaper to keep than new markets are to win.

The top 10% of customers bring in 55% of all revenue

Ireland, the Netherlands and Germany bring in over half of international revenue

Cancellations average 3.6% of sales, with a spike in January 2011
